"I cum for way too long. I once had a 10 minute orgasm."

"I start college soon. I'm going to be an English major," Anastasia told us. "It was a toss-up between physical education and English. I played basketball, ran cross country and was a cheerleader back in high school. I exercise more often than I read, but I eventually want to become a famous novelist, so I want to study writing."

"My perfect date would be a picnic at the beach. Then we could watch a movie, go home and have dinner, and then fuck like crazy! I have a lot of sex because I love everything about it. I'm happiest when I'm being dominated every day or two. I'm fairly submissive in the bedroom, so I like a guy who can really let me have it."

"You want to get frisky? My kinkiest encounter was with my ex. He pulled a big portion of my hair out, choked me so hard it left marks and ripped my ass. I was like, 'Wow! I want to marry this guy!' He was the most-dominant man I've ever been with, and I sometimes wish I could go back to hook up with him one more time."

Joseline told us that she likes to dress like a teenage slut from hell. "That means that I look innocent from far away, but then I lift my skirt and I'm not wearing panties and you realize that I'm game for anything."

"I danced ballet for 14 years," Joseline shared. "I loved it. Because of that, I'm really flexible. Guys love it when I put my legs behind my head while we're fucking. A lot of people don't know this, but ballet girls can get nasty! If we weren't talking about fucking, we were fooling around with each other."

"I've had too many three-ways! Whether it was with my friends from dance or with guys from school, I'm always game for some group sex. My biggest sexual fantasy is to have a masked gangbang. All the guys would be taking turns on us girls, and we'd all be covered in pussy juice and cum. That sounds awesome!"

Reader CONFESSIONS

One reader took illegal boner meds and had to fuck for his life!

HARD SITUATION

Dear Newcummers,

I subscribe to your sister magazine *Naughty Neighbors*. A couple of years ago, you guys wrote about Chinese chewing gum illegally containing the same active ingredients as Viagra. You piqued my curiosity, so I drove around town trying to track some down at the Asian mini-marts. I usually don't need any help maintaining an erection, but as I've gotten older, I've noticed that I don't get as hard as I used to. I'm a relatively fit 41 year old with a lovely wife named Cynthia who still turns me on, but I figured I could use a little extra pep in my pecker on occasion.

About a week after I found the gum, I found out from my wife that our kids were having a sleepover with a classmate. "It's been a while since we had a night alone," she winked. She was right. Between a tough assignment at work, nightly homework sessions with the kids and a kitchen renovation we were struggling with, she and I hadn't been intimate in

around four weeks. Wanting to satisfy her but knowing that I would probably blow my load early, I excused myself to the bathroom and jerked off so that I could clear my pipes.

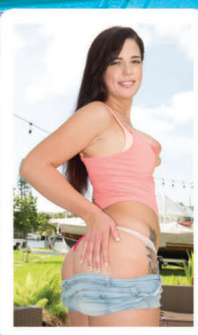

Fast-forward to later that evening. Having dropped the kids off and rushing home, I discovered my wife in the kitchen cooking salmon and risotto. Two wine glasses were set at the table and candles were burning. I opened the

bottle as she brought the food to the table. Dinner was delicious, and she and I talked and flirted like we hadn't in years. She even placed her foot on my crotch and rubbed my cock with her toes! That's when I knew I fucked up by jerking off earlier. I guess my recovery time wasn't up to snuff because even though I was practically getting a footjob under the dining room table, my

When you look at Scarlett, you might get the impression that because of her tats and her tit flashing that she's easy. Well, you'd be mistaken. "I'm not a super freak," she told us. "I have a normal, healthy sex life. Having my boyfriend take these pictures is the wildest thing I've ever done."

"When I was in high school, I focused hard on studying. I didn't party at all. Because of my good reputation and my extra-curricular activities, teachers gave me full access to the entire school. One time, I snuck up to the announcer's stand at the football stadium and had sex with my boyfriend at the time!"

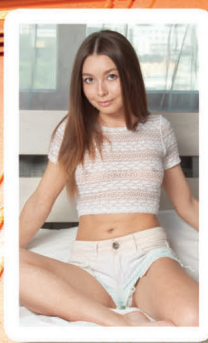

**“I’ve only
been with,
like, four

my life.”**

"My boyfriend convinced me that I should send in these photos. I wasn't sold on the idea, but it's actually pretty exciting. We shot these pictures at his boss's house on the water. His boss is a cool guy and lets people come over to fish on the dock whenever they want. I hope he doesn't find out what we were really doing down there!"

"I hope this will get me enough money to rent my own place," Kristin shared with us via email. "I'm living with my ex even though we broke up two months ago. He took these pics when we were still together. I might as well put them to good use!"

"These were supposed to be private!"

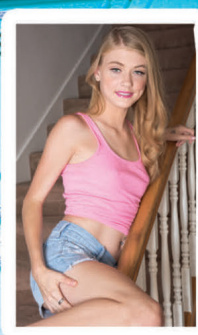

"I got the tattoo on my hip when I became single. I figured I was finally free to do whatever I wanted. I've had fun going on dates and whatnot, but I still miss the intimacy of having one special person to come home to. I've even had breakup sex with my ex, like, five times. I need to find a new guy ASAP!"

In our last issue, you saw Hannah's fat pussy lips wrap around a porno-sized cock for the very first time. We heard from you readers and our web members that you wanted to get her back in for some solo shots. Done! Enjoy her again.

"Thanks for having me back," Hannah graciously exclaimed. "I'm so happy your guys like me enough to want to see me again! That's a real confidence booster. Sometimes I get a little self-conscious about my body, so it's always nice to hear compliments."

"I had so much fun fucking your stud last time! I've had sex a couple of times since then with random guys, but none of them have stacked up to the stud. It's not just about cock size, although that is part of it! It's also about knowing when to speed up and slow down."

We asked Ava what her high school years were like. She responded, "They were exciting and full of adventure!" We asked her to tell us more. "Well, I was in cheer and I played soccer. I had a lot of fun with guys, too! One time, I was dropping my little brother off at day-care and one of the dads was flirting with me. We ended up hooking up in the parking lot!"

**“How do
you like
my big
nips?”**

"I'm totally into older guys, but not, like, grandpa old! Men hit their peak when they're in their 40s. The thing that satisfies me the most is having my pussy eaten, and older men seem to enjoy spending more time down there. Plus, they always seem to know what they're doing!"

"I masturbate at work all the time. I have a part-time job at a call center for Direct TV. I kind of zone out when I've been answering phones for hours on end. I don't, like, just finger myself in the open, though. That

would be weird. Instead, I like to rub my pussy on things to get off. The edge of my desk chair works perfectly. I even masturbate that way when I'm at home. I use my bed, couch and kitchen counters to make myself cum."

Minneapolis, Minnesota

Shae jumped at the opportunity to fly to Miami to shoot photos. She didn't mind that she had to pose nude for the first time. "I like fucking. I like my body. Why wouldn't I want to show it off? I hope guys like jerking their cocks to my pictures."

Shae works as a movie ticket taker at a big cineplex in Minnesota. We asked her if she had any wild stories from her job. "I've had sex in every theater there. Sometimes it's with my coworkers and sometimes it's with cute customers. I've probably picked up a dozen guys. If they're seeing a movie alone, I'll hit them up after the movie."

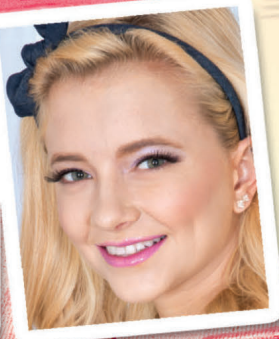

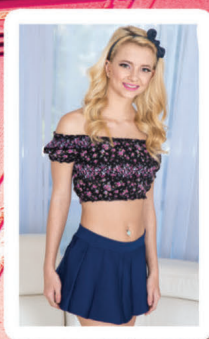

"I had a foursome once. We brought out some of my bondage stuff to play with and had an incredible night. Everybody came at least twice, even the guys. I've had a few threesomes since then, but nothing can compare to that first orgy. I remember sucking the two guys off at the same time while the girl ate my pussy and licked my asshole."

When Riley called us up and asked if we would consider shooting her for our magazine, we thought she sounded like fun. When she walked into our studio, we knew our initial hunch was correct. "I love to party and meet new people," she told us. "Back in high school, I was the easy cheerleader who dated all the jocks. I'm always looking for a good time!"

"Up until a month ago, I was working at an outdoor tiki hut bar," Riley informed us. "It was a lot of fun, but I wasn't making too much money. That's one of the reasons why I decided to give porn a shot. I'm going to buy a car with your check! I got to cum a bunch and I'm leaving with a ride."

NEWCUMMERS™
Riley
SPRING 2018

"I've always been a sexual person. It's funny because even though I dress innocent, I'm into some raunchy shit. My biggest sexual fantasy is getting gang-banged by a whole team of baseball players. They'll take turns filling all of my holes with their cocks and their baseball bats! Then, after I've cum and squirted all over the place, they'll circle me and paint my face with their jizz."

THREE'S CUMpany

Sex is better with an extra set of hands.

Missy and Alexa

"I'd never even been with a chick before," Alexa told us. "Kissing Missy and having her hands all over my body was fucking hot! I loved it. And I got into it, too. I ate Missy out and was finger-fucking her so hard

that she came on my tongue. It tasted just like my fingers do when I lick them after I finger myself. I just kept licking all her girl goo up. Then, when the stud fucked me, she licked my clit until I came, too!"

Alice and Sasha

Alice is the picture of teen succulence with her fresh, dewy skin, natural red hair and slender-yet-budding body. By the end of this sex session, Alice is exhausted and thoroughly satisfied! Sasha was there to take it up a notch by guiding the stud's dick straight into Alice's asshole. What more could a guy want?

Chastity and Collie

Collie, the brunette, and Chastity strip down to their tighty whities and fuck-heels. These two little slenders get off sucking face with each other before tag-teaming our stud and sucking the cum right out of his cock!

Emilee and Angelina

Try imagining pulling your dick out of Emilee's tight, hot cunt and slipping it into Angelina's waiting mouth. That's a recipe for blowing your load early. Don't worry, one girl will eat the load right out of the other!

Carmen

While most 18-year-old girls are just starting to figure out what to do with one cock, Carmen is rocking two at the same time. This cutie from Colorado turns into a Chinese finger trap when she gets one cock in her pussy and another in her mouth. "I know some girls are intimidated by the thought of taking on two guys, but I think that's my favorite combination for a threesome."

Stephanie and Lucy

These girls started talking in our makeup room and hit it off. Lucy, the blonde, mentioned that she loves licking pussy and Stephanie replied that she'd never been with a girl. "Steph's got an amazing butt. I wanted to tongue her asshole and lick her wet, pink pussy the moment I met her," Lucy said. "And the cock was just a bonus!"

Robyn and Carmella

Robyn, the blonde, got her nipples sucked and her pussy licked by Carmella, and you can bet that watching them was all that Jeremy needed to get him primed for action. Can you even imagine his anticipation? "So, I'm gonna get my cock sucked by these two hotties, then which one will I plug first?" Decisions, decisions!

little guy wasn't even stirring. I excused myself to the bathroom and found the Chinese chewing gum. Without looking at the packaging, I popped a piece into my mouth and started chomping. That was fuck-up number two. Apparently, the serving size of the gum is around 1/4 of a piece. I was blissfully unaware of this fact as I strolled confidently back into the dining room. I knelt down next to my wife and surprised her with a long, hard and passionate kiss. She tensed at first, but then I felt her entire body melt, and she draped her arms around me. "Let's do the dishes later," I whispered in her ear.

She ran upstairs giggling. I followed as I began to wonder how long it took for the gum to kick in. Cynthia lay naked on the bed; noticeably drunk from the wine she had while cooking and eating dinner. I walked to the bedside, and she reached for my cock. "Not so fast," I chuckled, unsure of whether or not I was ready to go. "Let me focus on you first." I nestled next to her and began to kiss her neck. She let out slight moans as I ran my hand down to her tits. I didn't linger for too long before I reached for her soft thigh. My fingers grazed her pubic mound and her body shuddered. I kissed my way down her body, past her perky nipples and over

Nia is currently getting her bachelor's degree in organizational psychology. We told her that she doesn't need a degree to shoot naked photos for us. "I'm doing this to blow off some steam," she said. "This sounded like fun!"

"I'm really driven in everything I do. I have a ten-year plan. I'm going to get my master's degree in business management after I graduate. Then I'm going to travel through Europe for a while before I settle down in my career. Most of the guys I date are surprised that I'm naturally horny. For some reason, they think that the studious girls are all prudes!"

A full-body photograph of a woman with long, dark, wavy hair, smiling and sitting on a grey couch. She is topless. The background shows a window and some greenery. A text box is in the upper right corner.

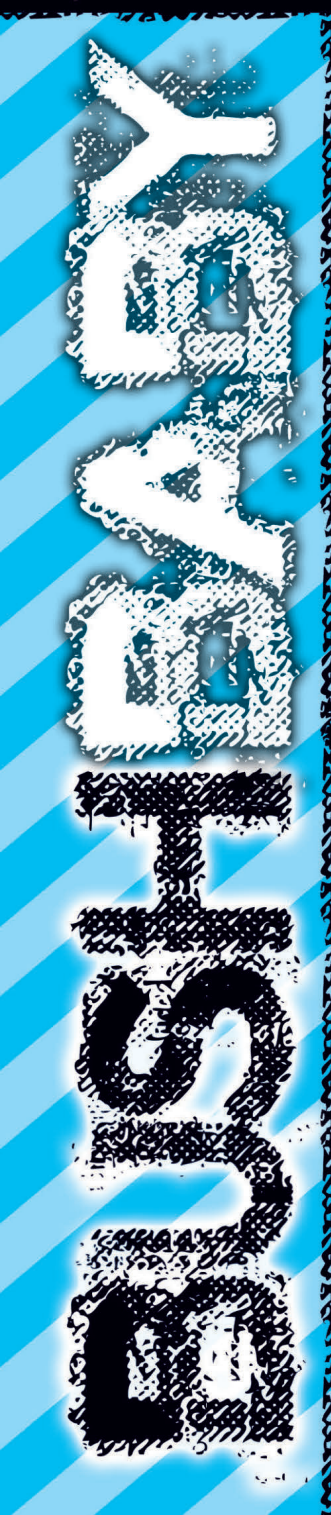

**“I need

man
with a
big dick!”**

"There are lots of things that I just don't have time for. I casually date because I don't have time for a serious boyfriend at the moment. Eventually, I'd like to get married and have a family, but that's a long way off. I just want some haphazard fucking for right now!"

DI MINSK, BELARUS AGE 34

We have a photographer friend who retired in Belarus because his dollar stretches further and the girls are young, easy and want to be spoiled. Occasionally, he'll come out of retirement to send us some pictures of the crumpets he's fucking. That's how we got our hands on these photos of Bush Baby Di. "She was excited about being a western porn star," he said.

BUSHBABY

When our anonymous photog friend started dating Di, he said that she shaved her pussy. "I convinced her to grow out her pubes. I'm already dating another girl with a shaved pussy, and I wanted some variety," he explained. "Of course, that's not what I told Di. I told her that I've never been a fan of shaved labia. She was happy to grow out her pubes to please me."

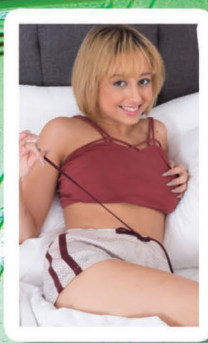

By all accounts, Di is happy with having her foreign sugar daddy photograph her hairy cunt. "I told Di that I was submitting her photos, and she said that as long as her family and friends don't see them, then she's happy with sending them in. She doesn't speak English, so she won't be able to read the pictorial, but we'll look at the pictures together when the mag comes in the mail."

Miami, Florida

Despite the fact that Marilyn only recently turned old enough to shoot naked photos, she's already lived quite the pornographic life. "I'm the three-way champ," she told us. "I've had tons of them. I even had an orgy once with seven guys and one other girl. I just love having sex!"

"I credit my first boyfriend with making me into such a slut. He was my first kiss, first fuck and first partner I had group sex with. The only thing I discovered on my own is anal. He didn't like it. The next guy I had sex with after him got me into it. He was eating me out and started to tongue fuck my asshole. I came like crazy."

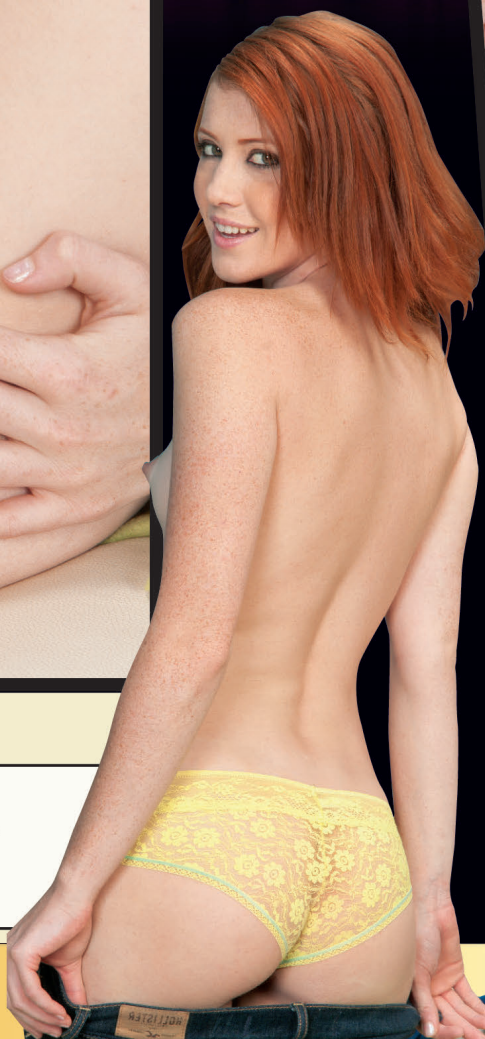

PUSSY SHOW

ELLE

Elle was just 20 when she sent in these photos. She was living in Bakersfield, California and dating a guy who worked for her dad's trucking company. He shot these up-close and personal cunt shots of his boss's daughter in the old man's house. How cold is that?

SO CLOSE, YOU CAN TASTE IT!

SIMONE

Simone was a Bush Baby once. In fact, her pubes actually turned into a treasure trail that grew all the way to her belly button! We have those pics at NaughtyMag.com if you want to see them. But we love this shot of her smooth cunt, unencumbered by hair for the first time in almost a year.

KELSEY

"I enjoyed posing," said Kelsey. "I had the blahs big time because I couldn't find a job and my boyfriend suggested that I do something exciting. Here it is!"

DYLAN

Looking at Dylan's body, you'd expect us to focus entirely on her spectacular tits. They are great, but her pussy is the real winner here! This 19-year-old sex-pot shot these pics right after a nooner with her guy.

SIERRA

"My boyfriend's in the army, but he's stationed not that far away," said Sierra. "We talk most every day and have phone sex at least a couple of nights a week. I had a friend take these pics for him!"

OLIVIA

"This photo doesn't tell the whole story," Olivia exclaimed while blushing. "I had just used a big toy and had a huge orgasm. I'm not usually that loose! In fact, I normally pride myself in how tight I am."

MANDI

"My best friend took these. We were drinking and she was directing me like a real porn producer," said Mandi. "I was a little self conscious when she told me to spread, but I have to admit the shots are hot!"

THENA

"I'm a trucker's wife and these are the latest photos that he uses to keep himself 'happy' as we call it when he's on the road," said Thena.

her belly button until I arrived at her delicious, shaved pussy. I swept my tongue across the top of her leg, down past her waistline and in towards the other leg. I caught a glimpse of her pink lips and I could smell that she was wet. I wasn't hard yet, but I was immensely horny. I kissed up and down the inside of her thigh. Brushing my lips and breathing hotly between her legs, she shuddered slightly and exhaled a long "yeah." That's such a sweet sound.

I pushed my wet tongue against her, spreading her lips with it, feeling and tasting how wet she was. After a couple minutes of gently licking her from bottom to top, I looked up and saw her looking down at me. I love to lock eyes while going down. I find it hot when she looks up at me with my cock in her mouth, so I hope it has the same effect the other way around. I licked her hard and fast. Slowly and gently. I sucked her clit into my mouth and flicked it wildly with my tongue, or backed off and stroked it gently, feeling it unfold as I

brushed against it. I rubbed the top of her clit while licking the tip of it with my finger inside her. She said, "slow down." I wanted to wait until I was rock hard, so I pulled back and licked her

gently but consistently. "That's it," she said, "you're going to make me cum." I kept doing exactly what I was doing. She was getting louder. She started thrusting her pelvis up into the air. I grabbed her ass and tried to keep up exactly what I was doing. But keeping up a precise lick on a moving target is tricky. She didn't quite cum, but she laughed and told me I was driving her crazy. It was a good enough compliment for me and I kept on licking her pussy for another half an hour. Her near orgasm seemed to have put her in a state of easy pleasurability. She was quivering, her body was rocking, and she was reaching down and stroking my cheek, grabbing my hair and saying all the right things like: "Oh god," "fuck, fuck, fuck" and "yes." As she climaxed, her wet, slick and warm juices began to flow down my chin as if I were eating a delicious mid-summer peach. I had such a great time eating her out, I hadn't noticed that my cock had become uncomfortably hard.

I kneeled on the bed and looked down. My cock hadn't been as erect in decades. Cynthia looked down at me, and her eyes widened. "Oh my god. You look huge," she said with a surprised look on her face. She reached down and touched my cock apprehensively. "You're so fucking hard," she murmured, not looking me in the eyes. She seemed impressed and must have been wondering why I was suddenly an inch longer than I usually am.

I sat back in bed as she began to suck me. She wasted no time. As soon as she had me in her mouth, she tried to deepthroat me. Typically, this wouldn't be a problem, but I guess my size increase wasn't just in my head. "Oh my god," she gagged after coming up for air. "That feels so fucking good in my mouth." My dick was beginning to become sore from the massive blood flow. I was aching for release, and I wasn't sure Cynthia was going to get me there with her mouth. "Let me fuck you," I demanded. My wife didn't need any more coaxing than that. She got on all fours and waved her ass at me. I gripped the base of my cock and slowly pushed into her warm pussy, still wet from her orgasm. As I entered her, I noticed how much tighter she felt. "Stretch me out like that," she whimpered, biting the pillow under her mouth. I kept inserting until I hit bottom. She moaned and began to grind

"Oh my god," she gagged after coming up for air. "That feels so fucking good in my mouth."

against my dick, trying to get more of my manhood into her snug cunt. By now, I could feel my heartbeat in my cock. I needed the pressure to be released. "Please make me cum," I whispered to my wife. Apparently, that turned her on because she replied, "I'll take care of you." Her ass began to bounce on me, shallowly at first, then harder and deeper until my entire cock was disappearing into her twat. Even though I was fucking her doggie-style, she was controlling the fuck. Her hand crept down to her clit, and I could feel her rubbing herself to another orgasm. Her cunt tightened and squirted a bit more on me, but I was nowhere close to busting. She ran her fingers along the outside of her fuckhole, collecting her juices as she rubbed. Then her fingers reached further back, and she began to rub my nuts. The feeling was so unexpected, I gasped. God, the sensations were so strong. My need to cum was even stronger. Arousal and the pain from my engorged cock clouded my mind as her hand massaged my balls and taint possessively. I start to come, grinding against her body while she moaned and bucked into the pillow.

I was afraid my dick was going to stay hard, but I began to deflate slowly. My wife turned around and said, "I don't know what got into you tonight, but please keep it up." I will, but next time I think I'll follow the instructions on the gum box!

Portland, Oregon

Lexi is the type of girl we love here at **Newcummers**. She's an amateur with a sexy, girl-next-door body, and she shot these pics so that she could experience a big dick. "All of my exes had normal-sized cocks," she told us. "I've always wanted more."

"We shot these pictures on a Friday evening. It was so funny: I was really nervous when I was sucking the stud's cock and the only thing I had running through my mind was that I'm normally at home in my underwear watching Netflix on Friday nights. But when he slipped into my pussy, I got out of my head and started to relax and enjoy the sex."

“Getting stretched like that felt so fuckin’ good!”

"I'm not normally a big fan of doggie style, but I loved it when your guy fucked me like that. During missionary, I felt like his cock was stretching me a little too much, but when he bent me over and started slamming me, I went into a trance. I completely zoned out and was overcome by pleasure!"
